Hit donated over 5,000 battery operated lanterns to people impacted by Hurricane Ian in September 2022. The lanterns were handed out to people, still without power, during a drive-thru distribution in partnership with our longtime partner Benison Center, and Cajun Navy in North Fort Myers.

Together, Hit Promotional Products and World Vision are bringing joy and help to those in need around the world!

In 2022, through Hit Promotional Products donations, we distributed 755 pallets of critical supplies to 14 countries and 18 U.S. states.

Thank you, Hit Promotional Products, for your generosity!
