Order Information

Order Placement: We require all orders to be placed in writing. Our preferred method of submission is via email to orders@admints.com. Purchase Orders may also be submitted via fax or mail. Order confirmation will follow receipt of purchase order. Orders are not accepted over the telephone. Please be sure to identify yourself and your artwork along with your purchase order number, the product or products on which the art is to be printed and contact information with phone and e-mail address so we are able to contact you. ANY CHANGE TO ADMINTS & ZAGABOR POLICIES LISTED BELOW AND ANY PRICE DIFFERENCE FROM OUR PRINTED PRICES MUST BE IN WRITING FROM AN AUTHORIZED REPRESENTATIVE OF OUR FACTORY. Due to circumstances many times not controlled by our factory, prices are subject to change without notice and substitutions of items of greater or equal value may be necessary to ensure on-time shipment.

Pricing From Other Sources: We are not liable for pricing in other publications, websites or other sources that may be different than our pricing in this catalog. Pricing in this catalog supersedes any previous catalogs and is subject to change without prior notification.

Changes To Orders: Changes to orders already in production will result in delayed shipment. The charge for changing an order that is in production is determined based upon what work, if any, has been completed. This includes changes in quantity, ship method, ship date, address, item, or imprint. No changes to orders can be made within 48 hours of shipment. Any changes prior to 48 hours must be confirmed by the factory in writing, in the event we have started the order with the initial instructions. Additions to orders already in production require a revised or new purchase order and any price change must be agreed upon in a written quote by the factory. If the status of the production of the original order does not allow the additional

quantity to be added, the additional amount will be produced based upon factory's normal production schedule.

Terms: New orders require fifty percent deposit upon order placement and the balance upon shipment. Visa, MasterCard and American Express accepted. The credit card is processed as Hit Promotional Products, LLC. After three orders, we will consider extending credit. A credit application must be filled out by an officer of your company. Credit approval takes approximately two weeks.

Production Time: Mint boxes take 3 weeks to produce from the receipt of signed artwork approval. All other products require 7-10 working days from the receipt of signed artwork approval to ship the products. Rush services are available for all products in stock.

Rush Service Under 5-Days: Rush service under 5 days is available depending upon the product, quantity and our production schedule. Contact our company for availability.

Specifications: We reserve the right to make changes in specifications, colors and materials without notice or obligation and specifically reserve the right to alter, withdraw or discontinue products at any time without notice or obligation. We reserve the right to substitute candy or food products with similar products based upon inventory.

Problems / Returns: Requests for returns must be made within five days of receipt and must get approved by factory with a return authorization number. Restocking charges will apply to all returns because of their perishable nature. We are not responsible for inability to fill orders due to acts of nature, shortage of materials or any other reasonable cause.

Damages / Loss Claims: Goods should be inspected immediately upon arrival. Complaints must be made in writing within 3 days of delivery. No merchandise may be returned without factory return authorization number. All claims goods damaged in transit or for delayed delivery must be filed by the distributor/ recipient with the carrier on receipt. We are not responsible for common carrier mistakes.

Less Than Minimum: There is a \$35-\$85 charge for orders less than catalog minimum and may also have an increase in unit price.

Over Runs & Under Runs: At the request of many of our distributor partners, we are now shipping all orders with a maximum of 3% overruns to ensure minimum order quantities. In order to guarantee quantities ordered, we need to utilize 105% of stock at the beginning of manufacturing process to account for setups and printing. This is required to maintain our success in shipping the quantities requested on your purchase order with the quality of product and imprints our customers expect. Our billing procedure is to include a 3% overrun on every order under 5,000 units, 2% on orders under 25,000 units and 1% on orders over 25,000 units to accurately bill for product we actually ship. Most orders will ship with an additional 3-5% but only be billed for 3%. On the rare occasion that less than a 3% overrun is produced, we will adjust the invoice upon shipping or issue a refund if the order has been pre-paid. The charge for exact quantity shipments is \$25.

Additional Charges: There are some standard additional charges that apply to many orders. The Re-order Setup Charges is 50% of initial charge, the PMS Color Match charge is \$60(v) per color

Artwork Specifications

Illustrations: Logos used in the catalog are for illustration purposes only. They do not imply endorsement, nor are the items with these specific logos for sale to anyone other than the parties expressly authorized by the owner of such designs.

Artwork Requirements: All design templates and specifications are found on the website www.admints.com to help designers create artwork that fits our products and meets our artwork requirements. Please e-mail all artwork to submitart@admints.com. PC or MAC files can also be delivered via a CD/DVD. Files should be submitted in EPS format with text converted to outlines and images embedded. Text that becomes an object can no longer be edited as text. If possible, please ZIP or STUFF all files. We prefer Adobe Illustrator files or high resolution JPEG or TIFF files. For all other formats, please call. When maximum imprint area is requested, or percentage is not specified, factory will use its best judgment to achieve an attractive imprint and may reduce size of artwork. Type characters that are within 1/16" on finished art will possibly fill in. The smallest type that can

be clearly reproduced is 8 pt. sans serif or 12 pt. serif. Foil printing on ribbon repeats the imprint approximately 3 inches but is determined upon the imprint details.

Pre-Production And Spec Samples: Production samples for all products are available at a cost of the product, set-up charge plus an additional \$25(v). Depending upon the size of the order we will credit the set-up charge on the order. Production samples require standard production time and the actual production cannot begin until production sample is approved. Please discuss time sensitive issues for written approval of any change to this policy.

Proofs: Color proofs are sent via e-mail at no charge. Hard copy proofs are \$25(v) per proof plus shipping charges. Color proofs will not match exactly but are good representation of the printing.

Color Match: Mint boxes are printed via offset printing at 175 line screen using a modified 4-col-

or process (CMYK). Exact color match cannot be guaranteed. Labels are printed using a modified 4-color process (CMYK) and exact color match cannot be guaranteed. Direct imprint on other products use 16 standard colors, while specific PMS color inks are available for an additional \$60(v).

Pantone Matching System (PMS): This is an international color guide for white coated and uncoated papers only. Consequently, color variations will occur from uncontrollable factors including the base material, background color of the product and the natural fading of pigments as inks dry. We will make every effort to match the color you specify as closely as we can, but cannot guarantee an exact color match. Some colors may require, at an additional color charge, a double print or a white under-print to achieve desired intensity.

Ribbon Colors: Colors are Gold, Silver, Black, Red, White, Green and Blue. See examples on page 45.

Pricing in this catalog is effective at the time of publication. Current product pricing is available on our website which could be slightly higher or lower and these prices will prevail.

Shipping

Shipping & Freight Terms: All orders are F.O.B. Bellmawr, NJ 08031 unless stated otherwise when we ship directly from our factory partners. All freight charges and applicable duty and taxes are extra. Title of goods passes to the customer at the time the merchandise is assigned to the carrier. We are not responsible for delays or damages in route.

Hot Weather Shipping: Between the months of April-October, we recommend chocolate and heat sensitive items be shipped in an insulated carton with cold packs. This adds \$14(v) per carton. We will determine how many insulated cartons will be needed for each order and let you know on the invoice. Factory is not responsible for shipping costs. We can ship Ground to any location within two days shipping from Bellmawr, NJ 08031 unless stated otherwise when we ship directly from our factory partners. Any other location will require 2-Day air shipment via FedEx or UPS to ensure that no melting occurs. Chocolate and nuts should be stored in a cool dry place.

International Shipments: On all International Shipments we prefer to have our products FOB Bellmawr, NJ and the distributor or end user customer handles the shipping. This is done easily by sending us the labels to affix to the boxes and any paperwork to be included and we will deliver to FedEx or UPS for the distributor. Although we do ship via FedEx and UPS everyday and can provide a shipping quote and ship via these two carriers as an extra service provided, that does not mean that the country of origin does not have custom requirements as it relates to the product being shipped. FedEx & UPS do not always provide the information and paperwork procedures for other countries.
