

PARTNER IMPACT REPORT 2022 | HIT PROMOTIONAL PRODUCTS

IMPACTING THOUSANDS WITH RELIEF SUPPLIES

In September 2022, Hurricane Ian made landfall in Florida as the second-deadliest hurricane to hit the U.S. in the 21st century. Hurricane Ian left thousands of Florida residents without access to power, safe water, and shelter.

World Vision responded to the disaster alongside our partner, Benison Center, to serve those in greatest need of assistance. Because of donations from corporations like Hit Promotional Products, we were able to distribute relief supplies, such as lanterns, to impacted residents.

Hit Promotional Products generously donated over 5,000 battery operated lanterns to people impacted by Hurricane Ian. The lanterns were handed out to those who were still without power, allowing them to have a light source as they recovered from the devastation brought by the hurricane.

In 2022, through Hit Promotional Products donations, World Vision distributed 755 pallets of critical supplies to 14 countries and 18 U.S. states.

Thank you, Hit Promotional Products, for partnering with World Vision to serve people in need. Your donations are making a difference in the lives of individuals and families impacted by disasters like Hurricane Ian.
