

#0PATCH18 Flex Patch

Description

- IMPRINT AREA AND METHOD: 3" W x 3" H max. Shape will be determined by art. Available in matte or metallic finish. Must specify on PO.
- SET UP CHARGE: Mold Charge \$250.00(G). Set up charges also apply to re-orders.
- LEAD TIME: 14 business days after art approval.
- CARE INSTRUCTIONS: Home laundering only. Dry on low temperature.
- COMPATIBLE ITEMS: Bags, Apparel, Caps – 5 panel centered on front or 6 panel on the side of middle seam.
- SAMPLES: #250.00(G) includes 3 samples. Lead time: 7 business days after art approval.
- APPLY TO PRODUCT: To apply patch to a product, add the pricing and set-up shown here to the blank pricing for that product. Please note both product item number and patch item number on your PO for efficiency in processing your order.
- LESS THAN MINIMUM: Not Available
- PLEASE NOTE: Patches are not available on non-woven, polyester or dry bags. Extended Lead Times – Chinese New Year Please note that due to the Chinese New Year holiday period, some of our manufacturing partners will be operating at reduced capacity. As a result, lead times may be longer than usual during the month of February for certain products. For more specific dates or additional information, check with your CSR or Outside Sales Representative.
